

THE HOLLOW TREES

Trio configuration

Stage Plot

Notes: When appearing as a trio it's pretty simple: Guitar and Bass, both with vocals, and a mic for the violin. We stand pretty close to each other, with a small prop table in between Greg and Lydia.

We would like to have two extra mic's available because we're going to try to get a couple people to sit in.

We like the mix pretty dry, but otherwise we'll leave it up to the soundman. Laura's vocal mic should be louder than Greg's.

For tech questions, contact Greg at (323) 356-7496 or thehollowtrees@pacbell.net
